**March 20-22, 2020 *What do I do for...?*** Frequently, when a client has a project, we don't know what flow to use or where to begin. We struggle looking for the "Right Flow" and in so doing, we create uncertainty our practice. We believe there is only one right flow and we either don't remember it or can't find it in our notes. Many times, we look to others for answers. This Special Topic Class will focus on this question, "What is the right flow for...?" By utilizing information gathered from pulse listening, body reading, and relationships presented in Text 1 and 2, (The Trinity, Six Pointed Star, Five Pointed Star, Lumbar Circle, etc.), students will learn how to shift their understanding from technique to becoming the Artless Artist. Students will discover that there is no "Right Flow," but many choices of flows for any project and understand why that is so.

**March 27-29, 2020 *The Physio Philosophy of Jin Shin Jyutsu*** To study and practice Jin Shin Jyutsu is to develop the awareness to understand the relationships of spirit, mind, and body. This awareness is based upon Mary's statement that WE are ONE., the Cosmos itself. This Infinite Truth (IT) is the 'root' of our awareness. This is the artless art of Jin Shin Jyutsu. IT IS when we nurture this awareness that we see inside the ONENESS of IT and experience all that is interrelated and interconnected in wholeness. This is the Physio-Philosophy of Jin Shin Jyutsu...a philosophy of awareness that understands this effortless reality moves flawlessly and impeccably from one moment to the next. There are no exceptions to this natural unfolding of Beingness. This Special Topic Class on Awareness will examine and discuss how Mary embedded these principles in Text 1, Text 2 and Self-Help Books I, II, III. The class will include lecture, practical demonstrations, and hands-on.

Students should spend some time with The Answer Sheet before attending.

The class will be held @ *Affordable Healing Arts*, in the *New Orleans Healing Center*  
2372 St Claude Ave, New Orleans, LA 70117

The setting will be an intimate small classroom, with hands on each day.
